

Church Organist

(part-time, m/w/d)

JOB DESCRIPTION

Trinity Lutheran

Trinity Lutheran is an international English-speaking Christian community located in Frankfurt am Main, Germany. We are a very welcoming home to people of all ages and already more than 16+ nations.

OUR MISSION, welcoming people from all nations and sharing Jesus Christ in our community.

WHO WE ARE: Our congregation is very friendly, open, and welcoming, represented by 16+ nationalities/cultures, and several Christian denominations. We offer communion to baptized Christians. We regularly baptize infants and adults into the Christian Faith. We have an ongoing changeover of active membership. Trinity is extremely active and family oriented.

For a congregation of our size, we aspire to have strong music and children/youth programs. We have a core group of members dedicated to our music programs. Long-Term continuity of leadership of church programs is challenged by the transient nature of our congregation. A significant share of members lives outside Frankfurt proper, making mid-week fellowship and meetings somewhat challenging to plan or attend.

RESPONSIBILITIES

- Provides music for weekly services and special services (primarily on organ). This includes a Prelude, Offertory, Postlude, hymns, and music during Communion in the weekly worship services. Music in both classical and contemporary styles will be performed.
- Accompanies the choir when singing during Sunday and special services (i.e. Advent, Lent, Baptisms, Weddings, Funerals)
- Occasionally attends and accompanies weekly choir rehearsals on Wednesday evenings
- Arranges for a substitute organist/pianist when required
- Coordinates with Pastor to select music for weekly and special worship services
- Prepares and controls the music program budget; prepares monthly invoices for paid musicians
- Arranges for regular piano and organ maintenance (coordination through Director of Music Ministry/ Church Office)

We are an English-speaking congregation, so the ability to speak English is required.

OUR HISTORY

Founded in 1957, Trinity's membership has evolved from a primarily American congregation to become very culturally diverse and international. We fit nicely into Frankfurt, called Germany's "world city," and known for its multinational and cultural diversity. Frankfurt balances big city cultural offerings with comfortable accessibility.
